Page 20891

Legal Services Corporation: By a yea-and-nay vote of 267 yeas to 103 nays, Roll No. 386, the House passed H.R. 6666, to amend the Legal Services Corporation Act to provide authorization of appropriations for additional fiscal years.

Rejected a motion to recommit the bill to the Committee on the Judiciary with instructions to report it back forthwith containing an amendment that would restore restrictions prohibiting grants or contracts for support services (rejected by a yea-and-nay vote of 154 yeas to 213 nays, Roll No. 385).

By a yea-and-nay vote of 359 yeas to 1 nay, Roll No. 379, agreed to a motion that the House resolve itself into the Committee of the Whole.

Agreed To:

An amendment that permits use of an independent hearing examiner in cases involving funding termination only in accordance with regulations promulgated by the Corporation:

An amendment as amended by a substitute amendment that limits legislative and administrative lobbying

on measures directly affecting individual clients to measures involving subjects on which the board of the

local program has voted to take a position;

An amendment that strikes language permitting the Corporation to provide legal assistance to persons charged with an offense involving hunting, fishing, trapping, or gathering fruits of the land, when the principal defense asserted involves rights arising from a treaty with Indians;

An amendment that reduces the fiscal year 1978 authorization from \$238.7 million to \$217 million; and reduces the fiscal year 1979 authorization from \$300 million to \$275 million (agreed to by a division vote of

37 ayes to 32 noes);

An amendment that insures recipient programs give high priority consideration to outreach, training, and support services for client groups with special legal

problems and poor access to legal services;

An amendment as amended by a substitute amendment (substitute agreed to by a division vote of 27 ayes to 4 noes) that allows the Corporation to participate in litigation only if it is party to the suit (agreed to by a division vote of 26 ayes to 5 noes);

An amendment that prohibits legal assistance in cases involving school desegregation (agreed to by a recorded

vote of 208 ayes to 174 noes, Roll No. 382);

An amendment that strikes language providing that non-Federal funds received by the Corporation and funds received by a recipient from a source other than the Corporation would be reported as receipts and disbursements separate from Federal funds; and

An amendment as amended by a substitute amendment (substitute agreed to by a division vote of 67 ayes to 18 noes) that requires payment of attorney fees for a defendant in a case where a Corporation-funded program has brought suit with malicious intent or for the purpose of harassment. Agreed to a motion to limit debate on the amendment and all subsequent amendments to the bill (agreed to by a division vote of 46 ayes to 20 noes).

Rejected an amendment to the previous substitute amendment that sought to allow courts the right to award attorney fees upon motion of the defendant.

Agreed to an amendment that prohibits legal assistance in cases arising out of disputes or controversies on the issue of homosexuality or gay rights (agreed to by a recorded vote of 230 ayes to 133 noes, Roll No. 384, after being rejected earlier by a division vote 39 ayes to 80 noes).

Rejected:

An amendment that sought to reduce the authorization for fiscal year 1978 from \$238.7 million to \$175 million; and to reduce the fiscal year 1979 authorization from \$300 million to \$175 million (rejected by a recorded vote of 158 ayes to 221 noes, Roll No. 380);

An amendment that sought to require the approval of the Office of Management and Budget of any budget request made by the Corporation (rejected by a recorded vote of 160 ayes to 223 noes, Roll No. 381);

An amendment that sought to prohibit funds to provide legal assistance to any unemancipated person less than 18 years of age except with the written request of one parent or a court of competent jurisdiction; and

except in certain types of cases;

An amendment to the previous amendment that sought to include child neglect cases and cases involving child exploitation in pornographic material as exemptions from the prohibition against legal assistance; and

An amendment that sought to terminate the Corporation on September 30, 1979 (rejected by a recorded vote of 166 ayes to 214 noes, Roll No. 383).

Rejected a motion to recommit the bill to the Committee on Appropriations with instructions to report it back containing amendments that sought to: prohibit a person from receiving salaries from both a Members' and a committee payroll simultaneously; strike out the \$5,000 increase for Members' official expense allowance; require that all House cafeterias, the recording studio, the stationary room, and barbershops be financially self-sustaining; make available to the public all disbursement records of the Clerk of the House; and prohibit the House Administration Committee from modifying allowances without prior floor consideration (same amendments were rejected earlier while in the Committee of the Whole).

Rejected:

An amendment that sought to prohibit funds for the March 1 pay increase for Congress, the Executive Branch, the Judicial Branch, and others covered by the Presidential Commission on Executive, Legislative, and Judicial Salaries (rejected by a recorded vote of 181 ayes to 241 noes with 2 voting "present", Roll No. 393);

An amendment was offered and subsequently withdrawn that sought to strike out language providing salaries for the majority and minority printers;

An amendment that sought to strike out funds for the printing of House of Representatives wall calendars or United States Capitol Historical Society calendars (rejected by a division vote of 18 ayes to 52 noes);

An amendment that sought to require all congressional operations in title I be subjected to audit by the Comptroller Gneral;

An amendment that sought to provide \$225,000 for the Joint Committee on Defense Production (rejected by a recorded vote of 172 ayes to 244 noes, Roll No. 394);

A point of order was sustained against language providing \$483,000 to develop a temporary House parking facility at the old Providence Hospital site—subsequently agreed to an amendment that restated the language, without funds for the parking lot;

Rejected an amendment that sought to add \$4 million for salaries and expenses of the General Accounting

Office;

An amendment that sought to strike out language appropriating \$55 million for extension of the West Central Front of the Capitol Building (rejected by a

recorded vote of 204 ayes to 212 noes, Roll No. 395);

An amendment that sought to eliminate through attrition, position of elevator operator, who operate automatic elevators (rejected by a division vote of 35 ayes to 82 noes);

An amendment that sought to prohibit funds for the purchase or maintenance of any automobile that gets

less than 20 miles per gallon;

A point of order was sustained against an amendment that sought to include post secondary education vocational school students in the L.B.J. summer intern program; and

Rejected an amendment that sought to prohibit funds for the planning or construction of any additional House

office buildings.

H. Res. 664, the rule providing for the consideration of the bill was adopted earlier by a yea-and-nay vote of 279 yeas to 139 nays, Roll No. 392). Pages 21361-21414

Pending when the Committee of the Whole rose was a substitute for title XII, food stamps (substitute is the

text of H.R. 7940, H. Rept. 95-464);

Agreed to several technical amendments to the substitute.

Agreed to:

An amendment that provides indemnification payments as a result of exposure to infestation of the golden nematode or as a result of any quarantine imposed because of the golden nematode;

An amendment that prohibits a set aside of soybean acreage as a condition of eligibility for price support

for any commodity supported under this Act;

An amendment that authorizes the Secretary to make loan principal and interest payments in declared disaster areas for up to 3 years;

An amendment that makes tobacco or tobacco products ineligible for export to the Food for Peace program;

A substitute to the previous amendment that adds language specifying that priority be given to food and fiber in the Food for Peace program (agreed to by a recorded vote of 260 ayes to 151 noes, Roll No. 459);

An amendment specifies that there be no discrimination between "price-supported" and "nonprice-supported" commodities in the programing of commodities under the Agriculture Trade Development and Assistance Act of 1954;

An amendment that requires the Secretary of Agriculture to submit a hunger impact statement for legislation concerning domestic and international food assistance programs to the Food for Peace program (agreed to by a division vote of 30 ayes to 15 noes); and

An amendment that allows the Department of Agriculture to act as a purchasing agent for a foreign country for Public Law 480 sales.

Rejected:

An amendment that sought to set peanut price supports of \$390 per ton in 1978; \$375 per ton in 1979; \$360 per ton in 1980; and \$345 per ton in 1981 and subsequent years (rejected by a recorded vote of 207 ayes to 210 noes, Roll No. 458);

An amendment that sought to increase from 1 cent to 2 cents the storage rate per bushel under the resale program;

An amendment that sought to add language specifying commodities as being "exported" upon delivery at

ports; and

An amendment that would require the Secretary of Agriculture to issue final regulations for title I of the Food for Peace program within 6 months of the enactment of this bill. The regulations would cover conflicts of interest and would limit any one exporting firm to a 25 percent share of the market for any one commodity.

Chamber Action

Routine Proceedings, pages 28175-28327

Bills Introduced: Nine bills and two resolutions were introduced, as follows: S. 2067–2075; S.J. Res. 80; and S. Res. 258.

Pages 28278, 28286–28288

Bills Reported: Reports were filed after the recess of the Senate:

S. Res. 240, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of H.R. 5027, to improve the quality of veterans' hospital care (S. Rept. 95-414);

S. Res. 246, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of S. 1731, to extend the special pay provisions for physicians and dentists in the uniformed services (S. Rept. 95-415); and

S. Res. 257, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of S. 2057, to establish a comprehensive national energy conservation policy, (S. Rept. 95-416).

Page 28277

Bills Passed:

Veterans: By 87 yeas to 2 nays, Senate passed S. 1307, to require case by case review prior to the awarding of veterans' benefits to persons discharged administratively from the military services under other than honorable conditions, after agreeing to committee amendment in the nature of a substitute which had at first been amended by adoption of:

(1) Cranston unprinted amendment No. 765, in the nature of a substitute bill; and Page 28193

(2) Cranston U.P. No. 766, to the title of the bill.

Page 28206 Pages 28193-28206

United States-Canadian Relations: Senate agreed to S. Res. 152, expressing the sense of the Senate that the President bring to the attention of the Government of Canada the adverse effect on the United States broadcasting industry of certain provisions of the Canadian tax code.

Pages 28206–28207

Coal Utilization: By 74 yeas to 8 nays, Senate passed H.R. 5146, providing for duty-free entry of bobsleds and luges, which had at first been amended (U.P. amendment No. 783) by incorporating the text of S. 977, to conserve gas and oil by fostering increased utilization of coal in electric generating facilities and major installations, as amended, and the text of Part 6 (Conversion from Natural Gas and Petroleum to Coal and Other Fuel Resources) of H.R. 8444, proposed Energy Tax Act of 1977.

Prior to these actions Senate took action in connection with amendments proposed to S. 977, as follows:

Adopted:

- (1) Bartlett amendment No. 824, to permit new intrastate natural gas contracts where necessary to meet electric utility requirements in the approved systems compliance plan;
- (2) Modified Johnston unprinted amendment No. 768, to define a major fuel-burning installation as one which burns 300 million Btu's per day or less, instead of 100 million Btu's, with proviso that FEA study and report to Congress on the effect of such provision;

Page 28240

(3) Huddleston U.P. No. 769, calling for establishment of a Federal-State task force to evaluate existing Federal energy development programs;

Page 28242

(4) Glenn U.P. No. 770, to specify that the Secretary of Energy be responsible for determinations concerning exceptions and exemptions under the Act;

Page 28243

- (5) Haskell (for Muskie) U.P. No. 771, to bring the Emergency Powers section of the bill into conformity with the Clean Air Act;

 Page 28243
- (6) Haskell (for Muskie) U.P. No. 772, to clarify provisions of the bill as they relate to environmental requirements;

 Page 28244
- (7) Domenici amendment No. 835, requiring FEA to study problems of compliance with the Act experienced by small electric utility systems;

 Page 28244
- (8) Sasser U.P. No. 773, calling on the President to conduct a coal industry performance and competition study;

 Page 28245
- (9) Kennedy U.P. No. 774, to clarify section authorizing permanent exemptions to permit the use of oil by new electric power plants where necessary to prevent impairment of reliable service;

 Page 28247
- (10) Kennedy U.P. No. 775, to provide a uniform application of laws relating to energy information;

Page 28247

- (11) Cranston U.P. No. 777, to clarify the bill with respect to FEA consultation with state energy agencies in exemption matters;
- (12) Cranston U.P. No. 778, of a clarifying nature to Kennedy U.P. No. 775;
- (13) Haskell U.P. No. 780, to insure that existing facilities which do not have standby coal burning capability are not affected by the existing law or by the bill;

 Page 28253
- (14) Hansen U.P. No. 781, to reinstate an inadvertently-stricken provision of the Energy Act of 1974

which limited the FEA's authority to retroactively impose rule changes on petroleum product marketers in its enforcement program; and

Page 28254

(15) Jackson U.P. No. 782, to provide that Title III of the bill shall not be effective so long as Title II remains law.

Page 28257

Rejected:

- (1) Modified Kennedy amendment No. 838, to prohibit future acquisition by major oil and gas companies of coal and uranium resources (tabled by 62 yeas to 30 nays);

 Page 28208
- (2) By 31 yeas to 55 nays, Glenn U.P. No. 776, to authorize certain natural gas to oil conversions during natural gas supply emergencies declared by the President; and

 Page 28248
- (3) By 39 yeas to 44 nays, Metzenbaum U.P. No. 779, requiring the Administrator to make recommendations to the Congress when he determines that the rate of increase in the price of coal committed to contract is 10 percent or more during any 12 month period.

Page 28251

Also during consideration of this bill the Chair sustained a point of order on grounds of germaneness against Hansen amendment No. 836, to strike that section of the Clean Air Act which authorizes the President to require major noncomplying industrial coal burners to utilize coal supplies that are locally and regionally available, prior to which, by 44 yeas to 47 nays, Senate rejected tabling motion.

Energy Conservation Policy: Senate continued consideration of S. 2057, to establish a comprehensive National Energy Conservation Policy, taking action on proposed amendments as follows:

Adopted:

- (1) Johnston unprinted amendment No. 798, to require the Secretary of Transportation, instead of the FEA Administrator, to prescribe passive restraint devices in Federal vehicles in consultation with the Administrator of the GSA;
- (2) McIntyre U.P. No. 799, to make it clear that the solar energy programs of the Department of HUD should include passive solar energy as well as active solar collectors;
- (3) Johnston U.P. No. 800, to provide for Congressional review of the total loans purchased by Government Mortage Association (GNMA);

 Page 28638
- (4) Modified Brooke amendment No. 843, making it mandatory, rather than voluntary, that FEA develop standards for the materials to be used and for the installation of residential energy conservation measures;

Page 28642

- (5) Brooke amendment No. 846, to provide that the FEA consult with the FTC in evaluating potential anti-competitive and consumer protection impacts of privately developed standards;

 Page 28643
- (6) Jackson U.P. No. 801, authorizing \$65 million for the next two fiscal years to assist local governments in planning and implementing energy conservation in buildings other than schools and hospitals; Page 28644
- (7) Bumpers U.P. No. 802, to provide that interest rates charged on loans for energy saving installations may not exceed the national mortgage rate nor the interest limits in the various States;

 Page 28652
- (8) Brooke U.P. No. 805, of a perfecting nature to section calling for promulgation of rules to implement residential energy conservation plans;

 Page 28661
- (9) Brooke U.P. No. 806, establishing a HUD loan insurance program for energy conserving improvements and installation of solar energy systems and utility meters in multi-family housing;

 Page 28661
- (10) Brooke U.P. No. 807, to require the development of energy performance standards;

- (11) Brooke U.P. No. 808, to provide for a residential housing incentives study; and
- (12) Brooke U.P. No. 809, to strike Section 111, making certain amendments to the National Housing Act.

Rejected:

- (1) By 25 yeas to 56 nays, Percy amendment No. 841, to institute a system of parking for all Federal employees;
- (2) Riegle U.P. No. 803, to strike from the bill section establishing minimum mileage standards for automobiles (Metzenbaum amendment) (tabled by 55 yeas to 27 nays); and
- (3) Riegle U.P. No. 804, making minimum mileage standards section inapplicable during any period in which a "gas guzzler" tax is in effect (tabled by 52 yeas to 28 nays).

 Page 28660

- (1) By 77 yeas to 17 nays, three-fifths of those Senators duly chosen and sworn having voted in the affirmative, agreed to motion to close further debate on Bentsen-Pearson amendment No. 862 (in the nature of a substitute), as amended, to provide for deregulation of new natural gas;

 Pages 30809-30810
- (2) By a unanimous vote of 93 nays, rejected motion to adjourn;

 Page 30814
- (3) By 92 yeas to 1 nay, tabled Ford amendment No. 881, to deregulate the price on gas wells which produce 100 Mcf or less per day (motion to reconsider tabled by 92 yeas to 1 nay);
- (4) By 90 yeas to 3 nays, agreed to Bentsen amendment No. 1037, as amended (to amendment No. 862) to provide for incremental gas pricing practices favoring residential and other small users, including agricultural users;
- (5) By 53 yeas to 39 nays, tabled Kennedy amendment No. 1023, embodying the Administration's gas pricing proposals (motion to reconsider tabled by 56 yeas to 36 nays);

 Page 30815
- (6) By 40 yeas to 53 nays, part 1 of Metzenbaum amendment No. 918, requiring natural gas producer reports for the past 5 years on an annual basis (motion to reconsider tabled by 59 yeas to 33 nays); Page 30816

(7) By 27 yeas to 66 nays, parts 2 and 3 of Metzen-

baum amendment No. 918, relating to plowbacks from price increases and enforcement provisions, respectively (motion to reconsider tabled by 70 yeas to 22 nays);

Page 3081

- (8) By 50 yeas to 43 nays, tabled Kennedy U.P. amendment No. 854 (to amendment No. 862) to exclude from deregulation that gas derived from offshore drilling (motion to reconsider tabled by 47 yeas to 44 nays);
- (9) By 60 yeas to 31 nays, upheld the Chair when it ruled out of order (on grounds of germaneness) Kennedy U.P. amendment No. 855, prohibiting natural gas companies from owning or controlling coal or uranium deposits;

 Page 30824
- (10) By 72 yeas to 16 nays, agreed to Haskell amendment No. 991, to define new natural gas as that gas determined to be new by a qualified geologist;

Page 30825

- (11) By 61 yeas to 28 nays, tabled Metzenbaum amendment No. 955, limiting return on investment to 18 percent;
- (12) By 86 yeas to 3 nays, upheld the Chair when it ruled out of order Abourezk amendment No. 868, on ground that it had already been offered and tabled;

Page 30826

(13) By 87 yeas to 1 nay, agreed to motion to recess until 9 a.m. on Tuesday, September 27, 1977.

Page 30880

Also during consideration of this bill today, Senate, by voice votes, upheld the Chair on several occasions when it ruled out of order certain amendments on grounds of germaneness, that they touched more than one section of the bill, and when it ruled several motions as dilatory under the cloture rule.

 Page 31916
- (2) By 79 yeas to 14 nays, tabled an appeal from the ruling of the Chair that, under cloture, amendments which are out of order on their face may be ruled out of order by the Chair on his own initiative;

 Page 31919
- (3) By 59 yeas to 34 nays, sustained a point of order that a Senator has the right to recall his own amendments qualified and pending under cloture and have them removed from the desk prior to being called up;
- (4) By 74 yeas to 21 nays, sustained a point of order that actions ruled dilatory do not constitute the transaction of business for purpose of calling another quorum;

 Page 31926
- (5) By voice vote, tabled Stevens amendments Nos. 1207 and 1208;
- (6) By voice vote, agreed to Metzenbaum amendment No. 1060, making proposed maximum lawful price inapplicable for any first sale of old natural gas produced from a new well in the U.S.

 Page 31935
- (7) By 90 yeas to 1 nay, agreed to motion to instruct the Sergeant at Arms to request the attendance of absent Senators;

 Page 31939
- (8) By 46 yeas to 45 nays, two thirds of the Senators not having voted in the affirmative, failed to agree to Hart motion to suspend the Rules for the purpose of

calling up his modified amendment No. 1389, of a perfecting nature to amendment No. 1022.

Page 31941

Also during consideration of this bill today, numerous amendments were called up and ruled out of order by the Chair; and several Senators recalled various amendments from the desk.

Labor Reform: House continued consideration of H.R. 8410, Labor Reform Act of 1977; but came to no resolution thereon. Proceedings under the 5-minute rule will continue on Thursday, October 6.

By a yea-and-nay vote of 384 yeas to 5 nays, Roll No. 626, the House agreed to a motion to resolve itself into the Committee of the Whole.

Agreed To:

An amendment providing that a three-member panel of the NLRB can summarily affirm administrative law judge decisions, that a motion for summary affirmance be filed within 10 days after the decision of the administrative law judge, and that any response be filed within 20 days thereafter;

An amendment as amended by a substitute that expands the equal access provisions to all elections and assures that the employee has an equal opportunity overall to obtain such information from the employer and labor organization (agreed to by a recorded vote of 408 ayes to 8 noes, Roll No. 628). Rejected two amendments to the substitute that sought to make the equal access provisions applicable only during the 7-day period prior to a representation election; and to prohibit employers from being required to reimburse employees for time used to obtain information from labor organizations:

An amendment that permits the review of requests to the Board to make timely rules to be heard by the court of appeals in which the petitioner resides or has its principal office or in the District of Columbia (agreed to by a recorded vote of 246 ayes to 174 noes, Roll No. 629, after being rejected earlier by a division vote of 30 ayes to 39 noes);

An amendment as amended by a substitute that provides for Congressional review and veto of rules or regulations issued by the Board. Agreed to a technical amendment to the substitute amendment;

An amendment that extends the provisions for expedited elections to decertification and deauthorization

elections;

An amendment as amended by a substitute that changes the time limits for representational elections from 15 to 25 days when a majority of employees petition, and from 45 to 50 days when 30 to 50 percent petition; and requires the Board to order an election within 17 days of the filing of the petition (agreed to by a recorded vote of 418 ayes, Roll No. 631). Rejected an amendment to the substitute that sought to change the time limits from 15 to 28, 45 to 60, and 75 to 90 days when complex issues were involved; and extend from 7 to 20 days the time in which the Board must order an election (rejected by a recorded vote of 185 ayes to 229 noes, Roll No. 630);

An amendment that clarifies language concerning challenged ballots, permitting the resolution of eligibil-

ity questions raised by the challenges;

An amendment that restores the substantial evidence test for judicial review of certification of bargaining

An amendment that grants the Secretary of Labor the discretion of removing or reducing debarments and restricts debarment to the particular facility where the violation occurs or to the entity legally responsible for the violation (agreed to by a recorded vote of 394 ayes to 8 noes, Roll No. 633).

Rejected:

An amendment that sought to strike the provisions expanding the Board from 5 to 7 members and lengthening their terms (rejected by a division vote of 28 ayes to 37 noes);

An amendment that sought to strike the provision requiring that in representation campaigns employees may obtain information from the labor organization in an equivalent manner to information given employees by employers (rejected by a recorded vote of 168 ayes to 247 noes, Roll No. 627);

An amendment that sought to strike language directing the Board to promulgate rules defining appropriate units for collective bargaining purposes (rejected by a division vote of 18 ayes to 40 noes);

An amendment that sought to strike language relating to standards for judicial review of rules;

An amendment that sought to permit review of rules on the grounds that they have been improperly applied (rejected by a division vote of 33 ayes to 55 noes);

An amendment that sought to prohibit the Board from hearing fair labor practice disputes if the parties have agreed to arbitration, unless the arbitration determinations were inconsistent with rights granted in the Act (rejected by a division vote of 19 ayes to 29 noes); and

An amendment that sought to strike the debarment provisions in the bill (rejected by a recorded vote of 111 ayes to 301 noes, Roll No. 632).

Points of order were sustained against sundry amendments.

Pages 32480-32529

House of Representatives

Chamber Action

Bills Introduced: 20 public bills, H.R. 10163-10182; and 6 resolutions, H.J. Res. 665 and 666, H. Con. Res. 422 and 423, and H. Res. 922 and 923 were introduced.

Pages 38178-38179

Report Filed: One report was filed as follows: Conference report on H.R. 6666, to amend the Legal Services Corporation Act to provide authorization of appropriations for additional fiscal years (95–825).

Page 38178

Commission on Administrative Review: By unanimous consent, it was made in order that the Commission on Administrative Review be permitted to file its final report by midnight, December 31, and that it be printed as a House document of the 1st Session, notwithstanding the sine die adjournment of the 1st Session of the 95th Congress.

Supplemental Appropriations: By a yea-and-nay vote of 258 yeas to 138 nays, Roll No. 755, the House agreed to a motion, as amended, to recommit to the Committee of Conference the conference report on H.R. 9375, making supplemental appropriations for the fiscal year ending September 30, 1978; with instructions to the Managers on the part of the House that the House recede from its disagreement to Senate amendment No. 46, and concur therein with an amendment that increases the Amtrak appropriation from \$8 million to \$18 million (originally, the motion proposed an increase to \$11.5 million, but was amended by a yea-and-nay vote of 256 yeas to 141 nays, Roll No. 754).

Previously, by a yea-and-nay vote of 125 yeas to 270 nays, Roll No. 753, the House refused to order the previous question on the original motion, after it had been ordered earlier by a division vote of 41 ayes to 11 noes.

Pages 38139-38150

Social Security Financing: House disagreed to the Senate amendment to H.R. 9346, Social Security Financing Amendments of 1977; and agreed to the conference requested by the Senate. Appointed as conferees: Representatives Ullman, Burke of Massachusetts, Rostenkowski, Waggonner, Cotter, Mikva, Tucker, Conable, Archer, and Ketchum.

By a yea-and-nay vote of 183 yeas to 209 nays, Roll No. 757, the House rejected a motion to instruct the Managers on the part of the House to insist on language providing for the liberalization and eventual repeal of the earnings test for individuals age 65 and over under the Old-Age, Survivors and Disability Program.

Previously, by a yea-and-nay vote of 214 yeas to 181 nays, Roll No. 756, agreed to order the previous question on the motion to instruct conferees.

Pages 38150-38158

Endangered Species: By a voice vote, the House agreed to the conference report on S. 1316, to authorize appropriations for fiscal years 1978, 1979, and 1980 to carry out State cooperative programs under the Endangered Species Act of 1973. House receded from its amendment to the title of the bill—clearing the measure for the President.

Pages 38162-38165

Presidential War Powers: House agreed to the Senate amendments numbered 2, 4, 5, 6, and 7 to H.R. 7738, with respect to the powers of the President in time of war or national emergency. House agreed, with amendments, to Senate amendments numbered 1 and 3—returning the measure to the Senate.

This index is keyed to the DIGEST as published with the DAILY CONGRESSIONAL RECORD; the page references are

listed accordingly, as D5, D6, etc.

The bill numbers of proposed legislation are affixed to the subject references so that the subject matter of each measure will be readily available. The breakdown under each subject divides the action on the proposals according to: hearings or actions by House or Senate committee or joint or conference committee, consideration or action by House or Senate Chamber on the measures, and the public law numbers when the bill or resolution has been enacted.
